

## INVITATION TO BID

**Title:** East Carolina Heart Institute Nuclear Cameras (2) Renovation

**Location:** Greenville, NC

**Estimator:** Cam Greer  
[cgreer@muterconstruction.com](mailto:cgreer@muterconstruction.com)

**Project Summary:** This project consists of the renovation of two existing rooms in preparation for the installation of a nuclear imaging camera in each room. One of the cameras is being relocated from another ECU facility, and the other camera is a new camera to be procured by East Carolina Heart Institute. The purchase and installation of the cameras is to be by others.

**Plan Room:** For a complete list of all projects Muter Construction is bidding, including plans, specs and addenda, visit [www.muterconstructionplans.com](http://www.muterconstructionplans.com)

**Linked Plans + Specs:** [24124 East Carolina Heart Institute Nuclear Cameras \(2\) Renovation, Greenville, NC](#)

**Bid Date + Time:** October 29, 2024 at 12:00 pm  
Proposals will be received on or before the bid date and time via email [buildingbids@muterconstruction.com](mailto:buildingbids@muterconstruction.com)

**Divisions:** Bidders may quote any Division they are qualified to bid, not only the Division they were invited to bid. If you will be submitting bids for additional Divisions, please contact the estimator to let them know your intention to bid.

### HUB Commitments:

As a minority-owned company, Muter Construction understands the need for local, small, minority businesses to be provided an opportunity to participate in projects that will allow them to grow their company into a larger firm to be able to serve their community. As such, Muter is committed to maximizing the opportunities available to minority firms as we continuously seek qualified subcontractors and suppliers to join our team. Muter assists minority firms throughout the project, and we maintain high ethical standards in our business practices so that they will be able to learn, grow, and succeed. We offer the following to certified HUB, M/WBE firms:

- Flexible bonding and insurance requirements
- Quick pay agreements to all HUB-certified subcontractors and suppliers.
- Joint-check system to help HUB-certified firms purchase materials.
