SCDOT DESIGN BUILD PROJECT

Carolina Crossroads Phase 3C

Lexington County, South Carolina

Contract No. P043325

Project Value: \$175M

Bid Date: 4/17/25

A Joint Venture between Balfour Beatty Infrastructure and Reeves Construction Company has been formed for this Design-Build Project. The SCDOT proposes the I-20/26/I-26 Corridor Improvement Project Phase 3C. Phase 3C consists of the replacement of I-20 Bridges over the Saluda River and CSX Railroad, along with associated I-20 Widening between Exits 61 and 63.

If you are interested in submitting a quote for this project and would like more information, please return a completed Non-disclosure Agreement (attached) as soon as possible.

A follow-up invitation will be sent for your specific scope of work, along with quantities and/or associated design documents.

Should you have any questions, please contact Kayla Harrell at kaylaharrell@balfourbeattyus.com or 910-685-3056
